of Engineers®**

**ROBERT H. BYRNE, JR.**  
Chief, Programs & Civil  
Project Management Branch  
New England District

---

Robert H. Byrne, Jr., joined the U.S. Army Corps of Engineers in New England in 1974 as a co-op student while attending Northeastern University. He became a full-time staff member in 1978 within the Planning Division, transferring to the Programs Office in 1981. He progressed in his career ladder by taking on more complex responsibilities up to his current position as Chief of Programs and Civil Project Management and Deputy to the Chief of Programs and Project Management Division.

Mr. Byrne is dual hatted as the Deputy Chief to the Programs Project Management Division and as the Chief of the Programs and Civil Project Management Branch. His leadership provides principal staff oversight for the development, coordination and approval of project management plans, project cooperation agreements, memoranda of understanding, or other agreements requiring customer, division or high headquarters approval. Mr. Byrne provides leadership in establishing District management processes and procedures to effectively manage the scope, quality, project cost, budget and schedules of civil works, military, support for others and environment projects. He serves as a mentor and leader for all engineering interns in the District. He has also completed a one-year assignment as Acting, Deputy District Engineer.

Mr. Byrne received a Bachelor of Science degree in Civil Engineering from Northeastern University in 1978. He serves on the board of the Society of American Military Engineers and serves on the Board of Directors of the Chelmsford Youth Baseball. Mr. Byrne successfully completed the North Atlantic Division's Executive Leadership and Development Program as New England District's first nominee. Mr. Byrne has received numerous performance awards to include the Commander's Award for Civil Service and Department of the Army Superior Civilian Service Award.
