U.S.ARMY CORPS OF ENGINEERS
NEW ENGLAND DIVISION
REGULATORY PROGRAM
MONTHLY REPORT

Attached is the monthly report for the month of AUGUST 2007 detailing final actions taken by the U.S. Army Corps of Engineers, New England District, Regulatory Division for Individual Permits, Letters of Permission and Denials.

Prior to the decision on these applications, evaluations were made on factors affecting the public interest, including, but not limited to, conservation, economics, aesthetics, general environmental concerns, wetlands, cultural values, fish and wildlife values, flood hazards, floodplain values, land use, navigation, shore erosion and accretion, recreation, water supply and conservation, water quality, energy needs, safety, food and fiber production, mineral needs, consideration of property ownership, and in general, the needs and welfare of the people.

Relevant environmental documents and the Statement of Findings or Record of Decision containing these evaluations are available upon written request and, where applicable, upon the payment of administrative fees.

You may view this and past monthly lists on our website at http://www.nae.usace.army.mil. From here select "Regulatory Permitting," and then "Monthly List of Individual Permit Actions."

For more information on a specific project listed on the attached list, if you wish to receive weekly notification of Public Notices detailing Regulatory activities, or if your would like your address changed or removed from this mailing list, please contact Ms. Marie Farese at (978) 318-8292 or marie.l.farese@usace.army.mil.

Sincerely,
