SHEILA WINSTON-VINCUILLA
Chief, Contracting Division
New England District

Sheila Winston-Vincuilla joined the U.S. Army Corps of Engineers, New England District in 1993 as a contract specialist. She progressed up the career ladder by taking on more complex responsibilities to her current position as Chief of the Contracting Division.

Ms. Winston-Vincuilla plans, directs, coordinates and leads the operations of the Contracting Division. She is responsible for acquiring all necessary commodities and services in support of the New England District's mission. She manages the District's multi-million dollar contracting program for civil works; military design and construction projects; environmental restoration; hazardous, toxic, and radiological waste remediation; and any/all other USACE Programs/Projects. She is the principal procurement official and primary contracting officer, holding an unlimited Contracting Officer Warrant.

Ms. Winston-Vincuilla is responsible for the administration of the USACE nationwide contract for potable water which is utilized to assist FEMA during disasters. She is part of a cadre of subject water experts (SME), within the USACE emergency management community. She is the CP-14 Career Program Manager for the District, assisting and leading subordinates with the development of realistic career goals which include timely completion of required experience, educational and mandatory training.

Ms. Winston-Vincuilla is a graduate of Bentley College with a Bachelor of Science Degree in Business Management. She received a Master's Degree in Business Administration with a concentration in Contracting and Acquisition from Western New England College; and holds a Department of Defense Acquisition Workforce Level III certification in Contracting.

Ms. Winston-Vincuilla is a member of the Army Acquisition Corps and a member of the National Contract Management Association. She has received numerous performance awards to include the Commander's Award for Civilian Service and the Department of Army Achievement Medal for Civilian Service.
