

Interpretive Programs 2013

7/20 – Fascinating Flood Journey

Meet the rangers at the Ranger Station (log cabin) in Elm Brook Park at 1:00. During this program the ranger will discuss the impacts of the most recent floods. Visitors will be able to see how much water was impounded during flood events and where the water is stored.

7/27 - Tree ID

This interpretive program will begin at 1:00pm at the entrance of the nature trail. Rangers will point out various trees along the trail and share some of their knowledge on how to identify each tree and some unique characteristics about each tree.

8/3 –Water Safety Coloring Contest

This event will be located on the beach and will be on-going all day. There will be a table and chairs set up where the coloring contest will take place.

8/10 – Scenic Bike Expedition

Meet at the ranger station for a guided bike tour. The tour will begin at 1:00 and go for an hour. Please make sure to bring water and wear your helmet.

8/24 – Wonderful World of Wetlands

During this presentation, rangers will go over the benefits of wetlands and what is considered a wetland. Species that live in and around wetlands will also be discussed. Please meet at the observation deck in Elm Brook Park at 1:00.
