The woodland trail is West Hill Dam's largest trail and runs along the property's boundaries. The woodland trail is 4.8 miles long. If you get lost follow the orange circles, they are the blazes that mark the woodland trail. Enjoy it and please:

*Take Only Pictures,
Leave Only Footprints.*

We extend our appreciation to the members of the Bay State Trail Riders Association for their continuous support. Bridge repairs, tread surface maintenance, water bar installation, and trail clearing are some of their visible improvements. Additional Thanks to Eagle Scout Rusty Stewart and boy scout Troop #22 for their help in mapping, blazing, and establishing the Woodland Trail.
