Outreach for Department of the Army General Permits for Massachusetts

The New England District, U.S. Army Corps of Engineers, 696 Virginia Road, Concord, MA 01742-2751 issued statewide General Permits for Massachusetts (GPs for MA) for minimal-impact activities subject to Corps jurisdiction in waters of the U.S. within the boundaries of, and off the coast of, the Commonwealth of Massachusetts excluding work within the boundaries of Indian tribal lands. The GPs for MA replaced the 2010 Massachusetts GP that expired on January 21, 2015. The GPs for MA became effective on February 4, 2015. You can view the GPs for MA by following this path: www.nae.usace.army.mil/missions/regulatory >> State General Permits >> Massachusetts.

The Corps conducted 12 outreach webinars to explain the GPs for MA in March 2015. The Corps will present similar material on the inland and tidal aspects of the GPs for MA at the following outreach workshops:
