Outreach for Department of the Army General Permits for Massachusetts

The New England District, U.S. Army Corps of Engineers, 696 Virginia Road, Concord, MA 01742-2751 issued statewide General Permits (GPs) for Massachusetts for minimal-impact activities subject to Corps jurisdiction in waters of the U.S. within the boundaries of, and off the coast of, the Commonwealth of Massachusetts excluding work within the boundaries of Indian tribal lands. These GPs became effective on February 4, 2015. The GPs for MA are located at www.nae.usace.army.mil/missions/regulatory >> State General Permits >> Massachusetts. The previous Massachusetts GP expired on January 20, 2015.

The Corps will conduct the following outreach webinars for stakeholders throughout the state. All webinars are open to those who wish to attend, though we will focus on aspects of the GPs for MA that may be of interest to particular stakeholders.
