

LABORATORIES WITH APPROVED QUALITY ASSURANCE PLANS

The following list of laboratories are those that have submitted Laboratory Quality Assurance Plans (LQAPs) that meet the requirements of the New England District's Regional Implementation Manual (RIM). This is a partial list which will be updated as other laboratories have their LQAPs reviewed and approved by the District. The list does not constitute a recommendation, only that these laboratories have met the requirements of the RIM.

Laboratory	Biological Testing (Toxicity Bioaccum.)	Sediment Bulk Chemistry				Aqueous Chemistry		Tissue Chemistry
		All RIM Metals	PAHs	PCB Congeners and Pesticides	Dioxins & Furans	Saltwater	Freshwater	
Accutest 495 Technology Drive Marlborough, MA 01752 508-481-6200		✓	✓	✓			✓

SP Engineering Inc. P.O. Box 848 Salem, MA 01742-2751 978-745-4569	✓							

* Subcontracted (Laboratory has submitted LQAP)

The following laboratories that perform only grain size analyses and physical testing have submitted LQAPs. While this is not required by the RIM for laboratories doing these kinds of analyses, other laboratories doing this type of work are encouraged to also submit their LQAPs.

Applied Marine Sciences, Inc.
502 N. Highway 3, Suite B
League City, TX 77573

281-554-7272

Geotesting Express, Inc.
1145 Massachusetts Avenue
Boxborough, MA 01719

1-800-434-1062

For further information on this program and to submit new LQAPs or updates please contact:
