

A graphic scale diagram consisting of a horizontal line with tick marks. The left end is labeled "100'". Above the line, the words "GRAPHIC SCALE:" are written in capital letters. Below the line, numerical values are placed at regular intervals: "100", "0", "100", and "200". The first "100" is aligned with the start of the line, "0" is at the center, the second "100" is at the end of the black segment, and "200" is at the end of the entire line. The first "100'" label is positioned below the line, aligned with the first tick mark.
