## Seaport Marine – Noank Shipyard, Inc. seeks Corps permit to repair, extend floats, do other work in Mystic

**CONCORD, Mass.** – Seaport Marine – Noank Shipyard, Inc. is seeking a permit from the U.S. Army Corps of Engineers, New England District to conduct work in waters of the United States in conjunction with repairing and extending floats and doing other work in Mystic, Conn.

Seaport Marine – Noank Shipyard, Inc. is proposing to repair seven finger floats and extend them 20 feet seaward; replace existing tie-off piles and fender piles as necessary and relocate existing tie-off piles as necessary to accommodate the extended finger piers. The existing 6-foot-wide by 320-foot-long main float will be replaced with an 8-foot wide by 320-foot long main float. A new platform with a ramp and float is also proposed and will provide access to the main float.

The work is proposed in the Mystic River off of property located at 2 Washington Street in Mystic. The purpose of the proposed project is to provide access to the patrons' boats for boarding, provisioning and tending to minor routine repair work and maintenance.

The application for the federal permit was filed by Seaport Marine – Noank Shipyard, Inc. with the Corps in compliance with Section 10 of the Rivers and Harbors Act, which provides for federal regulation of any work in, or affecting navigable waters of the United States.

The public notice, with more specifics on the proposed work, can be viewed on the Corps website at <http://www.nae.usace.army.mil>. Select Regulatory and then public notices or go directly to <http://www.nae.usace.army.mil/Regulatory/Public%20Notices/>.

Public comments on this proposal by Seaport Marine – Noank Shipyard, Inc. (file # NAE-2002-3042) should be forwarded no later than Aug. 10, 2012 to the U.S. Army Corps of Engineers, New England District, Regulatory Division (ATTN: Diane Ray), 696 Virginia Road, Concord, MA 01742-2751. Additional information is available from Permit Project Manager Diane Ray at 978-318-8831 or toll free 800-343-4789 or 800-362-4367 (if calling from within Massachusetts) or by email to: [diane.m.ray@usace.army.mil](mailto:diane.m.ray@usace.army.mil).
