

10.0 List of Preparers

This joint DEIS/DEIR was prepared by the U.S. Army Corps of Engineers (USACE) and the USACE's contractor, The Louis Berger Group, Inc. Portions of the document specific to the requirements of MEPA were prepared by MassDOT and MassDOT's lead contractor, Vanasse Hangen Brustlin, Inc., including the MassDOT Preface, Chapter 7: Proposed Mitigation and MassDOT Proposed Section 61 Findings, and the responses to comments on ENF provided in Appendix 8.3-A.

10.1 UNITED STATES ARMY CORPS OF ENGINEERS – NEW ENGLAND DISTRICT

Alan R. Anacheka-Nasemann, PWS/ Sr. Project Manager/Ecologist, Permits and Enforcement Branch

Kathleen Atwood/ Archaeologist, Engineering/Planning Division

Karen K. Adams/ Chief, Permits and Enforcement Branch

John P. Almeida/ Office of Counsel

Jennifer L. McCarthy/ Chief, Regulatory Division

10.2 THE LOUIS BERGER GROUP, INC.

Name/Title: Niek Veraart, AICP, ASLA/ Vice President

Education: M.S., Regional Planning and Land Planning, Wageningen University
B.S., Land Planning and Landscape Architecture, Wageningen University

Experience: 22 years experience preparing environmental studies for transportation and development projects.

Role: Consultant Project Manager

Name/Title: Leo Tidd/Senior Environmental Planner

Education: MPA, Environmental Science and Policy, Columbia University
BS, Environmental Studies, SUNY College of Environmental Science and Forestry

Experience: 5 years experience with environmental analysis of transportation projects and preparation of NEPA documents.

Role: Air Quality. EIS preparation and editing

Name/Title: Denise Huang/Principal Transportation Engineer

Education: B.S., Electrical Engineering, Polytechnic Institute of Brooklyn

Experience: 13 years of experience in traffic engineering and transportation planning.

Role: Traffic

Name/Title: Dane Ismart/ Senior Associate

Education: M.S.C.E, University of Minnesota
B.S.C.E., Georgia Institute of Technology

Experience: 38 years of experience in transportation and intermodal planning, traffic engineering, transit analysis and policy.

Role: Ridership

Name/Title: Daniel Mesnick

Education: Master of City Planning, Massachusetts Institute of Technology
BA, Economics, Antioch College

Experience: 27 years experience in the railroad and transit industry

Role: Rail Operations

Name/Title: Vinay Mudholkar/ Director of Rail Operations

Education: M.B.A., Northeastern University, Boston

M.S., Worcester Polytechnic Institute

B.S., Civil / Structural Engineering, College of Engineering, Poona, India

Experience: 35 years experience in railway engineering, operations and management.

Role: Rail Operations and Engineering

Name/Title: Deborah Matherly/ Senior Planner

Education: MBA, Hood College, Frederick, MD

BS, Public Administration, Northern Kentucky University, Highland Heights, KY

Experience: 29 years of experience in major facets of transportation analysis, ranging from transit operations analysis to capital planning, economic impact assessments to intercity transportation planning and demand forecasts.

Role: Ridership

Name/Title: Joseph Lowry, P.E./ Principal Transportation Engineer

Education: B.S. Engineering, Thayer School of Engineering

B.A. Engineering Science, Dartmouth College

Experience: 40 years experience in civil engineering

Role: Transportation

Name/Title: Michael F. Monteleone/Transportation Manager

Education: M.R.P., City and Regional Planning, University of North Carolina, Chapel Hill

B.A., Geography, State University of New York at Albany

Experience: 22 years experience in transportation planning.

Role: Transportation

Name/Title: Craig Wood, PWS/ Environmental Manager

Education: M.S., Natural Resource Science, University of Rhode Island

B.S., Natural Resources Conservation, University of Connecticut

Experience: 22 years experience in environmental permitting and wetlands.

Role: Natural Resources

Name/Title: Jason Ringler/ Senior Environmental Scientist

Education: B.S., Wildlife Ecology and Management, University of Rhode Island

Experience: 9 years experience in wildlife resources and wetlands.

Role: Natural Resources

Name/Title: Bernward Hay, Ph.D./ Principal Environmental Scientist
Education: Ph.D., Oceanography (Marine Geology), Massachusetts Institute of Technology & Woods Hole Oceanographic Institution Joint Program
MS., Geological Sciences and Remote Sensing, Cornell University
Experience: 27 years experience with water quality and sedimentation studies.
Role: Water Resources

Name/Title: Dayna Sherwood/ Environmental Planner
Education: B.S., Meteorology, Penn State University
Experience: Experience in noise and air quality assessment related to transportation, development, rezoning, and industrial projects in accordance with various federal and state regulations.
Role: Noise, Vibration and Air Quality

Name/Title: Thierry Garcy/ Principal Engineer
Education: B.S., Chemical Engineering, City University of New York at City College
Experience: 17 years of experience in interpreting and applying environmental regulatory requirements for transportation and energy-related projects, sustainable commercial and residential real estate development, solid and hazardous waste management, air quality, wastewater disposal, and water quality protection.
Role: Hazardous Materials and Noise

Name/Title: Stacey Barron, AICP/Principal Planner
Education: M.A., Geography, University of Connecticut
B.A., Geography, University of New York at Geneseo
Experience: 12 years of experience in providing environmental assessment and impact statement services.
Role: Land Use and Zoning

Name/Title: Albert Racciatti, AICP/ Director of Financial and Regional Analysis
Education: M.C.R.P., City and Regional Planning, Rutgers University
M.A., International Relations (Concentration in Political Economy), University of Chicago
B.S., Industrial and Labor Relations, Cornell University
Experience: Regional economics, land use and transportation planning, transportation finance, and market research.
Role: Socioeconomics

Name/Title: Virginie Amerlynck/ Senior Planner
Education: M.R.P., City and Regional Planning, The University of North Carolina, Chapel Hill, NC
LL.M., School of Law, University of Leuven, Leuven, Belgium
Experience: 11 years of experience in fiscal and economic impact analysis, market analysis, and real estate.
Role: Socioeconomics and Environmental Justice

Name/Title: Hope Luhman, Ph.D./ Assistant Director
Education: Ph.D., Anthropology, Bryn Mawr College
M.A., Anthropology, Bryn Mawr College
Experience: 28 years of experience in archaeological research projects and historic preservation planning studies involving historic and precontact resources.
Role: Cultural Resources

Name/Title: Daniel Lanier / Principal Environmental Scientist
Education: B.S., Chemistry/Geology, Summa cum Laude, Bridgewater State College
B.A., Individual Concentration, University of Massachusetts, Amherst
Graduate Studies: Advanced Groundwater Hydrogeology, Boston University
Experience: 24 years of professional experience in environmental consulting and engineering, with specialization in water resources, environmental site assessments, site remediation, hydrogeology, waste management, and Brownfields redevelopment.
Role: Contaminated Materials

Name/Title: Alexander Rosenzweig/ Senior Technical Editor
Education: M.L.S., Library Service, Rutgers University
B.A., Communication, Rutgers University
Experience: 15 years of experience in technical editing, writing, and document design.
Role: Technical Editor

Name/Title: Anne Moiseev/ Senior Editor
Education: B.A., Journalism Major/History Minor, University of Michigan
Experience: Editing, final formatting, and production of a variety of technical reports; cultural resource management plans; and popular reports.
Role: Technical Editor

Name/Title: Adam Bailey/ Graphic Design Specialist
Education: A.S., Multimedia and Web Design, Art Institute of Philadelphia
Role: Graphic Artist

10.3 EPSILON, INC. (SUBCONTRACTOR TO THE LOUIS BERGER GROUP, INC.)

Name/Title: Maureen Cavanaugh/Senior Consultant
Education: MUA, Urban Affairs, Boston University. BA/BS Fine Art/Nursing, University of Rochester.
Experience: 25 years in cultural resource management.
Role: Historic Resources

10.4 KKO, INC.

Name/Title: Katherine O'Neill
Education: Harvard University, Master of City and Regional Planning, Transportation and Computer Science,
Michigan State University, Bachelor of Science, City Planning
Experience: 30 years in transportation systems analysis and planning.
Role: Rail Operations
