

U.S. Army Corps of Engineers®

## **NOTICE**

### **Former Cape Poge, South Beach, and Tisbury Great Pond Remedial Investigation**

### **Military Munitions Response Program**

The New England District U.S. Army Corps of Engineers' contractor, UXB International, will be conducting field investigation activities on your property on or about the following date(s):

---

The field work will be conducted from October 2010 through approximately May/June 2011. Work will be conducted in a manner to avoid, minimize and/or mitigate any potential disturbance or impacts to the land, protected resources and sensitive habitats, and plants and animals; As such, any intrusive excavation will be backfilled and the landscape returned/restored to its' original condition.

If you have any questions/concerns at any time throughout the conduct of this work, or if you have any special needs, or believe the crews have damaged your property, contact the Corps' Project Manager immediately

**Carol Ann Charette**  
**phone: 1-978-505-2918**  
**email: MVRI@UXB.com**

For more information about the project, visit the New England Districts Web site, [www.nae.usace.army.mil](http://www.nae.usace.army.mil)

NOTE: To access the Cape Poge, South Beach, and Tisbury Great Pond projects, select "Projects" and then "Martha's Vineyard Remedial Investigation Feasibility Study at Munitions Response Sites".
