## Master Plan Revision

### Cape Cod Canal

The U.S. Army Corps of Engineers is in the process of revising the Cape Cod Canal Master Plan. The Master Plan revision will guide the land and recreational management of the federally owned property for the next 25 years. Management activities include protecting natural and cultural resources, providing access to public land and water recreation, protecting the public, and ensuring navigation operations. Pertinent information and a copy of the current master plan and land use map can be found on the USACE website below. To add your comments, ideas, or concerns about the future land and recreational management for the Master Plan, please submit comments using any of the following methods:

Fill out and return a comment form available below or at the following website:
