## **SF 30 BLOCK 14 CONTINUATION PAGE**

### **SUMMARY OF CHANGES**

#### **Solicitation/Contract Form Continuation**

**The following changes have been made:**

**Miscellaneous text in this section has been modified to:**

#### **REQUEST FOR INFORMATION**

Question 1: Can you confirm that the start date of service is 31st of December 2026, this was not a type of a start date of the 31st of December 2025?

Response 1: Per the Performance Work Statement, I. General, 3. the period of performance shall be from contract award through 12/31/2026 for the base year. The delivery date of 31 December 2026 in "Continuation of Deliveries or Performance" will be updated at award to reflect contract award date through 31 December 2026 for the base year.

Question 2: The Performance Work Statement references nine (9) scheduled pickups per year (April-December). Please confirm whether the Government's intent is one scheduled pickup per month, with additional service needs addressed through the on-call pickup quantities identified in the solicitation.

Response 2: The service quantities, requirements, and descriptions for scheduled and unscheduled pickups are included in detail in the Performance Work Statement, II. Technical Requirements, Part 3 Service Locations.

Question 3: Can two subcontractors be utilized to fulfill contract requirements? Are there any restrictions or approvals needed for subcontracting portions of the work?

Response 3: Subcontractor(s) can be utilized to fulfill contract requirements. There are no restrictions or approvals needed for subcontracting. Interested vendors are advised that failure of subcontractors to perform work may result in a termination and a Contractor Performance Assessment Reporting System record and responsibility/qualification determination issued to the prime contractor.

Question 4: Is it acceptable to provide standard dumpsters for both sites, or is a bear-resistant dumpster specifically required at North Hartland Lake?

Response 4: The awarded Contractor shall provide the dumpsters as stated in the solicitation. A standard dumpster will not be accepted where a bear-resistant dumpster is specified.

Question 5: Please provide the detailed specifications for dumpsters required at each site, including size, construction, lid type, and any other applicable requirements.

Response 5: The specifications for dumpsters concerning size, construction, lid type, and where applicable bear-resistant are included in the Performance Work Statement. The Government will not provide additional information outside of these specifications.
