Ninigret Restoration Advisory Board Community Interest Form

Conditions for Membership:

Ninigret Restoration Advisory Board (RAB) members volunteer to serve a term and attend all RAB meetings. Duties and responsibilities include reviewing and commenting on plans and activities associated with the restoration program at the former Charlestown Naval Auxiliary Landing Field (CNALF). Technical experts will be made available to the RAB. Members will be expected to be available to community members and groups to facilitate the exchange of information and/or concerns between the community and the RAB. This could involve distributing information gathered during RAB meetings, reviewing documents related to the site, and making recommendations to the U.S. Army Corps of Engineers project team about keeping the community informed. RAB community members can expect to devote approximately 40 hours per year to support the RAB.
