## **COLEBROOK RIVER LAKE BOAT LAUNCH CLOSURE**

**TO: All Parties Concerned With the Colebrook River Lake Boat Launch Recreation Area.**

**CONCORD, MA** - The U.S. Army Corps of Engineers announces that on August 16, 2019, the boat launch at Colebrook River Lake will be closed to trailered boats due to hazardous, low-water boat launching conditions. The closure is expected to last until the lake water level rises. Carry-in boats, kayaks and canoes are welcome. While the top of launch will be blocked with a jersey barrier, the parking lot will continue to be open for visitors.

For further information, please contact the Colebrook Dam Project Office at 860-379-8234, or the Project Manager.
