

Canal Kids 2022

Wednesdays 10:00 - 11:30am

Best for Ages 6-10

FREE! No pre-registration required

Meet at the Cape Cod Canal Visitor Center for these hands-on activities and games. Weather permitting all sessions will be held outdoors.

Are you interested in becoming a Junior Ranger? Join us for 5 or more Canal Kids programs this summer and you'll earn your Junior Ranger patch and certificate!

July 6 – What do Park Rangers do?

Ever wonder what Park Rangers do? Join us to learn about some of the different jobs of a Park Ranger, check out some gear, try on a uniform, practice some Ranger skills and play a game to tie it all together.

July 13 – Animal Adaptation

Do you ever wonder how a woodpecker can drill a hole in a tree without getting a headache? This week we will be celebrating amazing animal adaptations and how they help wildlife survive in the wild.

July 20 – Busy Bees

Did you know that the smallest farm animal plays the greatest role in food production? Join us to explore the amazing lives of honeybees and native bees. Learn to waggle dance, build pollinator habitat, and learn how even the littlest bee lovers can “bee” part of the solution in helping our pollinators thrive.

July 27 – Birthday Week at the Cape Cod Canal

On July 29th, the Cape Cod Canal turns 108 years old! Join us to explore how this engineering marvel came to be. We'll celebrate with some Canal-themed party games & fun hands-on engineering challenges to solve.

Aug 3 – What Floats Your Boat?

Ever wonder how those big ships in Canal can float and not sink? Is it their shape, what they're made of or maybe the water itself? We'll engage in hands-on activities and design and test boats to find out.

Aug 10 – Catch the Wind

Explore through hands on engineering activities how nature uses wind to get around and how humans capture the wind to get work done

Aug 17 – Life Between the Tides

Tides come up. Tides go down. What happens to those living in between? Join us for a hands-on experience with live marine critters! Discover the fascinating ways these animals adapt and survive to life's challenges.

Aug 24 – Trees & Flowers

Trees and flowers have a language all their own. Learn how local flora communicates with the animals who help them with pollination. We'll also learn how to identify what's growing in your backyard.

The Cape Cod Canal Visitor Center is located at 60 Ed Moffitt Drive, Sandwich, MA
