Jr. Rangers Program

Edward MacDowell Lake
75 Wilder Street, Peterborough, NH
(603) 924-3431

The US Army Corps of Engineers at Edward MacDowell Lake will be offering a Junior Ranger Day Camp on Fridays in August (2, 9, 16, 23rd). The Junior Ranger Program is for children ages 6-12. Meet at 1 pm at Office located at 75 Wilder Street Peterborough. Sessions will be 2 hours long on each date.

The Junior Ranger Program will focus on the following topics:

- ❑ The jobs of the US Army Corps of Engineers Ranger
- ❑ Water Resources
- ❑ Environmental Protection
- ❑ Forest Management
- ❑ Wildlife Management

Upon completion of the Program, the Junior Rangers become honorary park rangers of the US Army Corps of Engineers, receiving a patch and certificate. A graduation ceremony and ice cream social will be held at the last session.

Pre-registration is required. Contact the Park Ranger Station at 924-3431 or stop by the park and ask any ranger for more information.
