US Army Corps
of Engineers®
New England District

U.S.ARMY

Vermont Air National Guard, South Burlington, VT

New England District Overview

The New England District of the U.S. Army Corps of Engineers is responsible for managing the Corps' Civil Works responsibilities in a 66,000-square-mile region encompassing the six New England states east of the Lake Champlain drainage basin.

The region has 6,100 miles of coastline, 11 deep draft commercial waterways, 5 major river basins, and thousands of rivers and streams. Within this area of operations, the Corps has completed hundreds of Civil Works projects that benefit the New England community.

The missions of the New England District are many and varied. They include environmental remediation; flood risk management; natural resource management; stream bank and shoreline protection; navigation improvements and maintenance; disaster and emergency assistance; regulatory administration; and engineering and construction management support to other agencies.

One of six districts in the North Atlantic Division that deliver a broad spectrum of programs/ projects to New England and the Nation

NEW ENGLAND DISTRICT OVERVIEW

- 6 Governors
- 12 Senators
- 21 Congressional Districts
- 13 million people
- 66,000 square miles
- 6,100 miles of coastline
- 11 deep draft commercial waterways
- 13 major river basins
- 171 federal harbors
- 5 military bases
- 490 Employees
- 31 Dams
- 5 Basin offices
- 2 Area Engineers
- 5 Resident Engineers
- 2 Regulatory offices
- 3 Hurricane Barriers
- Cape Cod Canal
- ~ 2,500 Permits issued annually

New England District and Small Business:

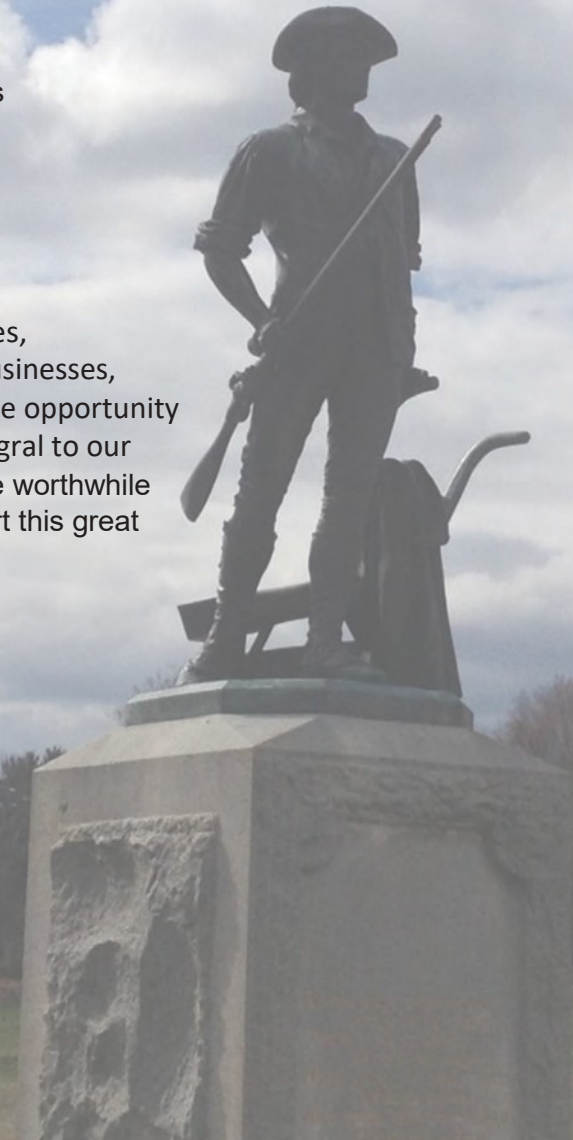

The involvement of small business in our Military and Civil Works programs is vital to our mission. Much of our success is due to the initiative, imagination, and productivity of small business concerns. The U.S. Army Corps of Engineers is committed to fostering the capabilities of small business. At New England District, we collaborate with our Small Business Stakeholders to ensure success, for all parties involved. Small business utilization is just good business.

Mission Statement:

To sustain the Corps of Engineers as a premier organization in developing small businesses and maximizing their opportunities to participate in our procurements, thereby ensuring a broad base of capable suppliers to support the Corps of Engineers mission and strengthen our Nation's economic development.

Our Commitment:

The New England District fully supports the national policy of providing Small Businesses, Small Disadvantaged Businesses, 8(a), HUBZone Small Businesses, Women-Owned Small Businesses, Veteran-Owned Small Businesses and Service-Disabled Veteran-Owned Small Businesses the opportunity to provide supplies and services which are within their capability. Small Businesses are integral to our environmental missions, and many of our SRM projects in military. We are committed to the worthwhile and varied socioeconomic programs and through teamwork, we will continue to help support this great nation into the next millennium.

Railroad Bridge Cape Cod, MA

Doing Business with New England District

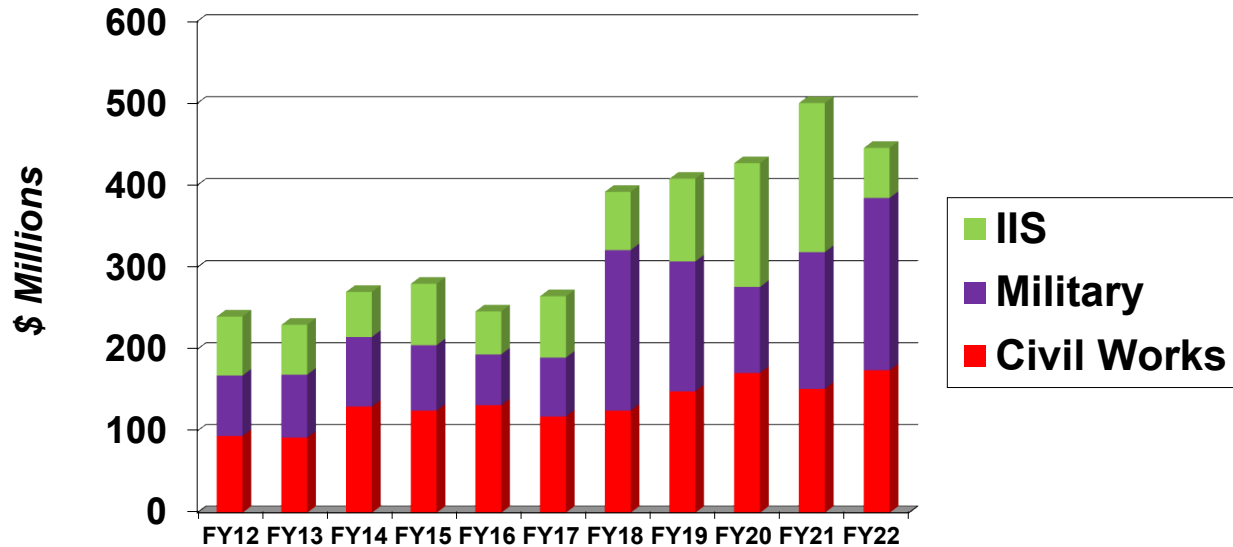

The U.S. Army Corps of Engineers, New England District plans, designs, builds and operates a vast array of projects through its Civil Works, Military and Work for Others programs. In order to accomplish these projects, we procure a variety of architect/engineering services, environmental consulting services, construction, environmental remediation, and many other services. We are committed to working with the Small Business Community to fulfill these opportunities and be part of our team!

Interested in Doing Business with New England District? We recommend you engage with us by:

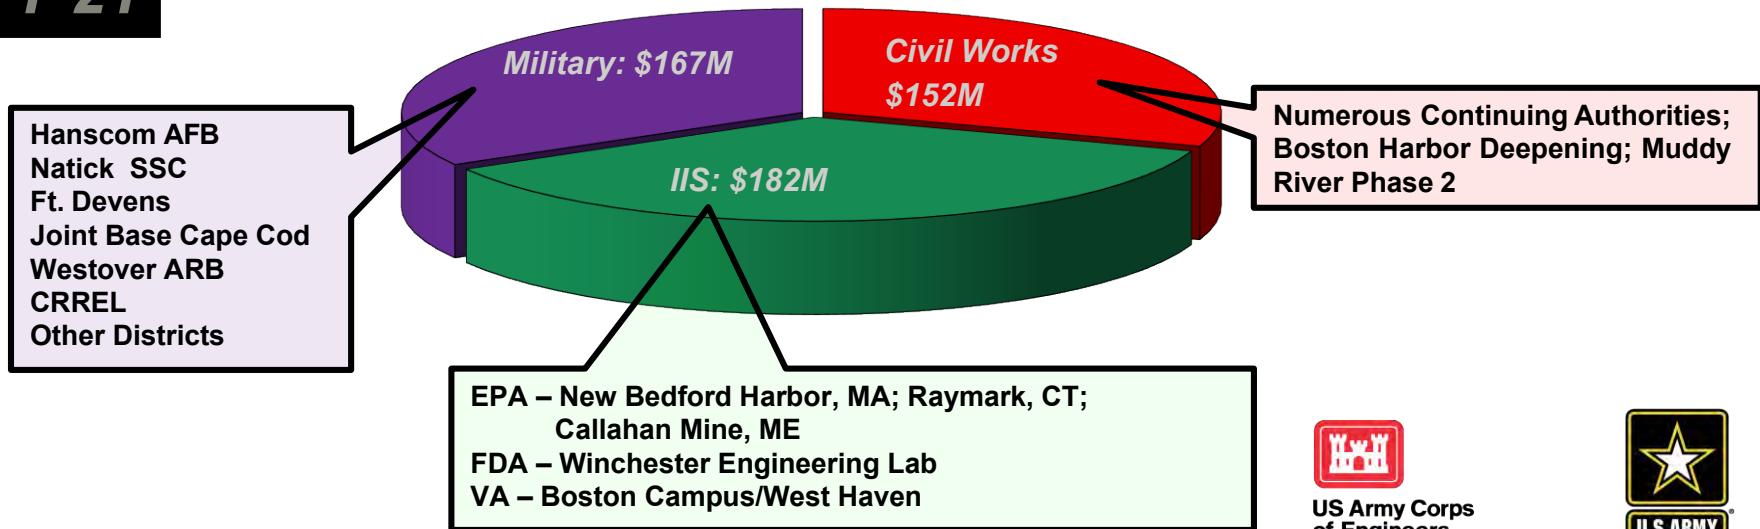

- Registering in the System for Award Management database **www.sam.gov/SAM**
- Visiting our website to view the Current Solicitations, Market Surveys, Industry Days, Bid Results and Award Results. You can also view all acquisitions between \$15,000.00 - \$25,000.00 on our website **www.nae.usace.army.mil/Business-With-Us/Contracting/**
- Responding to Market Research/Sources Sought Announcements. We need to know your Interest, Capability and Availability. Let us know if you have any concerns, approach to the project, technical considerations, etc.
- Staying engaged with the Deputy for Small Business
- Sharing your best practices and insights – We want to know how to be better business partner!**

PROGRAM TRENDS

FY12 – FY22

FY 21

US Army Corps
of Engineers.

INDEFINITE DELIVERY / INDEFINITE QUANTITY projects

Project Name	Contract Vehicle	NAICS Code	Quarter	Estimated Amount
Multiple Award Contracts - Architect/Engineer Hazardous, Toxic & Radioactive Waste NAE and North Atlantic Division Area of Responsibility	UNR IDIQ	541330	2nd QTR/FY21	\$24,000,000
Multiple Award Contracts - Architect/Engineer Hazardous, Toxic & Radioactive Waste NAE and North Atlantic Division Area of Responsibility	SB IDIQ	541330	1st QTR/FY22	\$13,000,000
Multiple Award Contracts - Architect/Engineer Hazardous, Toxic & Radioactive Waste NAE and North Atlantic Division Area of Responsibility	SB IDIQ (Socioeconomic)	541330	1st QTR/FY22	\$12,000,000

INTERAGENCY AND INTERNATIONAL SUPPORT projects

Project Name	Contract Vehicle	NAICS Code	Quarter	Estimated Amount
Design for New Surgical Tower, VA West Haven, CT	UNR AE Contract	541330	2nd QTR	\$20,000,000 - \$40,000,000
Department of Homeland Security/Immigration and Customs Enforcement - Special Agent in Charge Consolidation Project, Boston, MA	TBD	236220	1ST QTR/FY22	\$10,000,000 - \$20,000,000
