#### PROJECT LAISON COORDINATOR:

Job Narrative:

Started working on the work accomplished since last week in preparation of the Weekly Progress Meeting to be held on Thursday, May 21, 2020.

Visited all three construction sites in Middletown and Durham.

Talked with Cynthia Barone about Friday's paving. She needs to get out to deliver meals for the Middletown Residents. Told her to call me when she needs to leave and we will get her through,

Talked with Tina Raffa about Friday's paving on the shared access road. Husband Luigi is having surgery on Friday. He will not be able to walk in from the Cul-De- Sac after his surgery. Told her to call me when she is on the way home from the hospital. Talked with Billy and he is aware we have to get them through after the surgery.

Talked with the homeowner at # 216 Main Street informing him we will probably be going across the driveway, tomorrow, May 20th.

Sent letter to remaining residents with notification letter of scheduled work installing 16" water main on Main street (Rte. 17) Durham. These letters complete the scope of Ludlow's work on the 16" DIP in Durham.

Went out to check the paving project on Talcott Ridge Drive. Took pictures.

Contacted State Police Special Duty Desk to confirm we have a fourth Trooper at Main Street and Royal Oak Drive for tomorrow, May 20th. Waiting on response/confirmation.
