RE: CRMC File No. 2020-03-058
Site Location: Point Judith Harbor, Narragansett

Chief Kennelly:

The Coastal Resource Management Council has partnered with the Rhode Island Department of Environmental Management on the Point Judith Harbor Channel Project. As part of the partnership, the RIDEM will be paying part of the non-federal share of this project. All terms and conditions of the PPA remain in effect and the acceptance of funds does not create any legal obligations on behalf of USACE and the Rhode Island Department of Environmental Management.

Sincerely,

Jeffrey M. Willis, Acting Executive Director
Coastal Resources Management Council

RE: CRMC File No. A2020-03-058
Pt. Judith Harbor Navigation Improvement

Dear Mr. Randall:

In accordance with Title 15 of the code of Federal Regulations, Part 930, subpart C (Consistency for Federal Activities) and review of the Environmental Assessment including plans entitled:

- Environmental Assessment – Finding of No Significant Impact and – Clean Water Act §404(b)(1) Evaluation – Point Judith Harbor – Narragansett, Rhode Island – Section 107 Navigation Improvement Project – Prepared by: Environmental Resources Section, Planning Division – U.S. Army Corps of Engineers, New England District – Concord, Massachusetts – May 2019,

the Coastal Resources Management Council hereby concurs with the determination that the referenced project is consistent with the Federally approved Rhode Island Coastal Resources Management Council Program and applicable regulations therein.

Please contact this office upon initiation of construction, or if you should have any questions regarding this project.

Sincerely,

Jeffrey M. Willis, Acting Executive Director
Coastal Resources Management Council
