This public notice is to share with the public the report on New Hampshire's In Lieu Fee (ILF) program entitled, "Aquatic Resource Mitigation Fund Status, Trends and Program Improvements." The program serves as a form of compensation for impacts to aquatic resources resulting from work authorized by the New England District Army Corps of Engineers (Corps) and/or the State of New Hampshire Department of Environmental Services.

This report reviews the program's progress towards the goals established in the program instrument signed by the New Hampshire Department of Environmental Services and the U.S. Army Corps of Engineers, New England District, on May 17, 2012. It also summarizes for the review period:

- acres protected,
- fish passage improved,
- wetlands restored and enhanced,
- vernal pools protected,
- permits using the program,
- funds available for compensation,
- compensation projects awarded funds in each service area, and
- funds awarded to the compensation projects in each service area.

The report is available on the Corps' website: <http://www.nae.usace.army.mil> under Regulatory/Permitting >> Mitigation >> In-Lieu Fee Programs >> New Hampshire and on the Regulatory In-lieu Fee and Bank Information Tracking System (RIBITS) at <https://ribits.usace.army.mil> after selecting "New Hampshire" as the state, then under ILF Programs, "New Hampshire Aquatic Resource Mitigation Fund", then selected "Cyber Repository".

Robert J. DeSista
Acting Chief, Regulatory Division
